Dear Sue Zimmerman,

Thank you for your interest in University of Illinois!

I'm sure people have told you that your college years will be some of the best of your life! ***It is also one of the best times to grow in your Catholic faith.***

At University of Illinois there are large numbers of young Catholic men and women like yourself. The following page has details on how you can connect with them -- Mass times, campus ministry activities, and more. We've already given your name to the campus minister, so you won't be a stranger when you arrive.

This information is provided through a special program from USA Council of Serra International. Rest assured that we are praying for you and wish you a wonderful first year of college.

Our hope is that you deepen your love for Jesus as you connect with your fellow Catholics on campus.

Sincerely in Christ,

University of Illinois
Chicago, IL

Sue we've passed your name along to the campus minister.

Useful Information

The Newman Center is open to all & is a great place to hang out, study & socialize with other students. It is also a way to find out what the Catholic Community is doing. We are open 24 hours a day during finals.
We have Christian Leadership Formation, Women's and Men's Bible Studies, suppers, concerts with groups like the Catholic Underground with Adoration, music, food& drink, Taize Prayer, special speakers and discussion groups--and MORE!

Other Ministries

FOCUS, Fellowship of Catholic University Students, offers small group bible studies, discipleships, ENCOUNTER and other leadership training activities. FOCUS Bible studies are comprised of your peers, led by missionaries that have recently graduated from college. Bible Studies are available Mon-Fri 10 a.m. - 9 p.m.
Try a Bible study and see if it's for you!
FOCUS also helps us organize a group for the the large national FOCUS conference and mission trips.

We serve the largest Catholic student body in the midwest (15,000-25,000 students here are Catholic). Come join many other students for some great times at UIC!
